REVEGO
Pocket systems for new space concepts

What is so innovative about REVEGO?

More commonly, people are merging their kitchen, dining and living spaces, a trend transforming modern home designs. REVEGO supports new space concepts and opens up design opportunities for every area throughout the home without sacrificing the top-quality motion and user convenience you have come to expect from Blum. Specify with or without handles thanks to TIP-ON and give free rein to your creativity with REVEGO.
