

## EASYSTICK performance optimisation

### MINIPRESS top | P | PRO with EASYSTICK

#### Plan, move to position and drill more quickly

The automated ruler system for drilling and insertion machines is being made even more efficient and convenient. A new and more powerful computer with a larger and more precise touchscreen makes drilling holes much easier. Open up a new dimension of machining.

#### Plan, move to position and drill more quickly

The new EASYSTICK computer:

- 500% more computing power
- Screen size increased from 10.1" to 12.1"
- More precise operation and quicker response times
- Compatible with: MINIPRESS top  
MINIPRESS P  
MINIPRESS PRO
